

Providing Industry-Leading
IT Services and Solutions to
Alternative Investment Firms

abacusFileDriver

Automated file transfer service
for alternative investment firms

Receive peace of mind knowing that your daily file transfers are working and auditable.

Automated

Abacus manages file transfers on your behalf, with three built-in automatic attempts per transfer.

Secure

We offer intelligent scenario-based email alerts to a customizable email distribution list and optional encryption or decryption of files.

Transparent

Activity, access and audit logs are accessible via the **abacusPortal**.
